Dear Jo,

Thank you very much indeed for all your help with my new kitchen appliances. I was singing your praises to Peter on Friday and said how impressed I was with your professional, organised and pleasant care and attention.

It's been a pleasure to purchase the appliances from you and from Bews Electrical and I will certainly use you again in the future and recommend you to my friends.

Kind regards,

Angela

TO ALL AT BEWS

We would just like to take this opportunity to say a big thank you for the service we received from your shop yesterday.

The engineer who arrived to assess the repair of our old dishwasher was polite and very helpful. After discussions with the engineer we decided to purchase a new dishwasher from you. The same engineer returned within only a couple of hours to install it, and then remove from our house all the packaging and old machine at no extra cost!

The service we received from your shop was exceptional and puts the big stores to shame! We would have no hesitation in recommending you to anyone!

Again a very big thank you from two very happy customers!

Kind regards

Dear Peter

Thank you for all your help, advice and support with our move to Spain.

Everything went well and all our possessions arrived safely.

The ovens have been installed and are working very well. I am so pleased with all my Miele equipment.

I am returning the invoice as your charming lady in the office asked for it to be returned in order for the guarantee to be set up.

We are very happy here. The house has taken a while to get as we wanted it and now we are starting to plan what we want to do with the land on our mountainside.

With best wishes
